

YOU ARE INVITED TO A
PRESENTATION
ON THE
DRAFT SAFE EATING GUIDELINES
FOR FISH FROM THE **SOUTH DELTA**
AND THE **SAN JOAQUIN RIVER**

March 20, 2007
9:30 AM - 1:00 PM
San Joaquin County Public Health
Conference Room
1601 East Hazelton Ave
Stockton, California
(Please park on side streets.)

This presentation will provide information and answers to questions about a new draft health advisory. Comments will be welcome, and copies of the draft report will be available. The presentation will be given by staff of the Office of Environmental Health Hazard Assessment as part of a meeting of the Local Stakeholder Advisory Group (LSAG). The LSAG is coordinated by the California Department of Health Services as part of the CALFED-funded Fish Mercury Project.

For more information about the meeting or to RSVP for lunch,
please contact Jessica Kaslow at 510-620-3628.
